AERO RETHINK PAINT

UK Distributor

We are proud to announce that we here at We Display are now the UK's distributor for AERO. For more information, spec sheets and pricing please contact us at hello@we-display.co.uk

AERO represents everything spray is not. It's environmentally responsible. It's lightweight. It's durable. It's aerodynamic, and it achieves a level of aesthetic quality that traditional sprayed paint applications will never reach.

AERO is what happens when chemists, engineers, and entrepreneurs take the initiative, and the time, to rethink paint. And now that the thinking is finished, it's time to apply it.
